

THE 12TH DUCK PLUCKERS, DEER SKINNERS AND FISH HOOKERS BALL

September 18, 2021

at NILO Farms in Brighton, IL

This special event from Alton Memorial Health Services Foundation raises funds for a new ambulance for Alton Memorial Hospital. The ambulances are equipped with FIRSTNET technology which expedites EKG data of heart attack victims while en route to the hospital. Due to the increased number of patients in respiratory distress related to the COVID-19 pandemic, the ambulances are also outfitted with Glidescopes, which allow paramedics to view the patient's airway to ensure proper intubation.
