The first Ribbon of Strength campaign raised more than \$10,000 to help patients battling cancer. The connected ribbons created a 101-foot ribbon, symbolizing support and encouragement during their health crisis.

Help us create an even larger symbol of strength for patients being treated for cancer at Alton Memorial Hospital. They will see that the entire community supports them so they can focus on treatment, healing and recovery. The Ribbon of Strength Campaign benefits Alton Memorial Health Services Foundation's You've Got a Friend and Extra Mile funds. These funds provide up to \$800 in financial support for patients to pay for their essentials, such as:

- Gas cards and car repairs to get to treatment
- Utility bill payments
- Rent and mortgage payments

Be a part of this unique project and purchase a personalized ribbon honoring or memorializing someone who has been affected by cancer. The ribbons will be connected end to end to make one **HUGE** purple ribbon that will be unveiled on **March 22**.
